Directors' Report (continued)

Directors' meetings

The number of directors' meetings attended by each of the directors of the company and the number of meetings held during the financial year were:

Director	Number of meetings attended	Number of meetings held *
Brian Stuart Johnston	11	12
Harvey Warren Lockwood	11	12
Ralph Gordon Piggott	12	12
Peter Lawrence Doust	12	12
Bruce William Spaul	12	12
Peter Ernest Black	12	12
Craig Stephen Young	12	12
Martin Newman	10	12
Michelle Maree McClelland	12	12

* Number of meetings held during the time the director held office during the year.

Membership

The company is a company limited by guarantee and is without share capital. The number of members as at 31 October 2013 was 29,263 (2012: 28,706).

Members' limited liability

In accordance with the Constitution of the company, every member of the company undertakes to contribute an amount limited to \$2 per member in the event of the winding up of the company during the time that they are a member or within one year thereafter. The total amount that the members of the company are liable to contribute if the company is wound up is \$58,526 (2012: \$57,412).

Operating Result

The table below shows a reconciliation of St George Leagues Club and its Controlled Entity's earnings before interest, income tax, depreciation, amortisation and grants and community development expenditure to football clubs (referred to as EBITDAG).

	2013 \$	2012 \$
Net profit after income tax expense attributable to members	2,350,750	(739,026)
Add back:		
Depreciation and amortisation expense	2,735,678	2,871,540
Finance cost	276,334	315,049
Income tax expense / (benefit)	227,037	(73,182)
Share in loss from Narellan Properties	38,208	209,812
Grants to football clubs and community development and support expenditure	981,047	2,307,262
EBITDAG	6,609,054	4,891,455

St George Leagues Club Limited and its Controlled Entity Directors' Report (continued)

Short and long term objectives

The principle short and long term objectives of the consolidated entity are to operate a licensed social Club for the use of the members and their guests and to promote and foster the playing of Rugby League Football in the St George district and elsewhere.

Strategy for achieving the objectives

The Board and Management regularly address cash flow forecasts and apply budgetary controls to ensure that the objectives are achieved.

Principal activities

The principal activities of the company during the financial year were that of a licensed social Club and controlling the operations of the St George District Rugby League Football Club Limited.

There have been no significant changes in the nature of these activities during the year.

How these activities assist in achieving the objectives

These activities generate funds to achieve the objectives of providing facilities and promoting and fostering the playing of rugby league football.

Performance measurement and key performance indicator

A number of performance indicators are employed by the company in order to measure and improve the company's performance. The company uses gross profit percentage and wages to sales percentage to measure the financial performance of each department.

Auditor's Independence Declaration

A copy of the auditor's independence declaration as required under Section 307C of the Corporations Act 2001 is set out on page 4.

Signed in accordance with a resolution of the directors.

Brian Stuart Johnston
Director

Dated at Kogarah this 11th day of February 2014.

DECLARATION OF INDEPENDENCE BY PAUL CHEESEMAN TO THE DIRECTORS OF ST GEORGE LEAGUES CLUB LIMITED AND ITS CONTROLLED ENTITY

As lead auditor of St George Leagues Club Limited and its Controlled Entity for the year ended 31 October 2013, I declare that, to the best of my knowledge and belief, there have been no contraventions of:

- the auditor independence requirements of the Corporations Act 2001 in relation to the audit; and
- any applicable code of professional conduct in relation to the audit.

This declaration is in respect to St George Leagues Club Limited and its Controlled entity during the period.

BDO East Coast Partnership
Sydney, 11 February 2014

INDEPENDENT AUDITOR'S REPORT

To the members of St George Leagues Club Limited and its Controlled Entity

Report on the Financial Report

We have audited the accompanying financial report of St George Leagues Club Limited and its Controlled Entity, which comprises the statement of financial position as at 31 October 2013, the statement of profit and loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration.

Directors' Responsibility for the Financial Report

The directors of the company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards - Reduced Disclosure Requirements and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance about whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the company's preparation of the financial report that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

INDEPENDENT AUDITOR'S REPORT (continued)

Independence

In conducting our audit, we have complied with the independence requirements of the *Corporations Act 2001*. We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of St George Leagues Club Limited and its Controlled Entity, would be in the same terms if given to the directors as at the time of this auditor's report.

Opinion

In our opinion the financial report of St George Leagues Club Limited and its Controlled Entity is in accordance with the *Corporations Act 2001*, including:

- (a) giving a true and fair view of the consolidated entity's financial position as at 31 October 2013 and of their performance for the year ended on that date; and
- (b) complying with Australian Accounting Standards - Reduced Disclosure Requirements and the *Corporations Regulations 2001*.

St George Leagues Club Limited and its Controlled Entity Directors' Declaration

The directors of St George Leagues Club Limited declare that:

- (a) In the Directors' opinion the financial statements and notes set out on pages 8 to 39, are in accordance with the Corporations Act 2001, including:
 - (i) giving a true and fair view of the consolidated entity's financial position as at 31 October 2013 and of its performance, for the financial year ended on that date; and
 - (ii) complying with Australian Accounting Standards - Reduced Disclosure Requirements and Corporations Regulations 2001 and other professional reporting requirements;
- (b) there are reasonable grounds to believe that the company will be able to pay its debts as and when they become due and payable.

Signed in accordance with a resolution of the directors made pursuant to section 295(5)(a) of the Corporations Act 2001.

Brian Stuart Johnston
Director

St George Leagues Club Limited and its Controlled Entity

Notes to the Financial Statements For the Year Ended 31 October 2013

1 Summary of Significant Accounting Policies

The principal accounting policies adopted in the preparation of the financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

New, revised or amending Accounting Standards and Interpretations adopted

The company and consolidated entity has adopted all of the new, revised or amending Accounting Standards and Interpretations issued by the Australian Accounting Standards Board (AASB) that are mandatory for the current reporting period.

The company and consolidated entity has early adopted AASB 1053 'Application of Tiers of Australian Accounting Standards,' AASB 2010-02 'Amendments to Australian Accounting Standards arising from Reduced Disclosure Requirements' and later amending Standards, as relevant. No other new, revised or amending Accounting Standards or Interpretations that are not yet mandatory have been early adopted.

Any significant impact on the accounting policies of the company from the adoption of these Accounting Standards and Interpretations are disclosed in the relevant accounting policy. The adoption of these Accounting Standards and Interpretations did not have any significant impact on the financial performance or position of the company.

The following Accounting Standards and Interpretations are most relevant to the company:

AASB 1053 Application of Tiers of Australian Accounting Standards

The company and consolidated entity has early adopted AASB 1053 from 1 November 2009. This standard establishes a differential financial reporting framework consisting of two Tiers of reporting requirements for preparing general purpose financial statements, being Tier 1 Australian Accounting Standards and Tier 2 Australian Accounting Standards - Reduced Disclosure Requirements. The company being classed as Tier 2 continues to apply the full recognition and measurements requirements of Australian Accounting Standards with substantially reduced disclosure in accordance with AASB 2010-2 and later amending Standards, as relevant.

AASB 2010-2 Amendments to Australian Accounting Standards arising from Reduced Disclosure Requirements

The company and consolidated entity has early adopted AASB 2010-2 from 1 November 2009. These amendments make numerous modifications to a range of Australian Accounting Standards and Interpretations, to introduce reduced disclosure requirements to the pronouncements for application by certain types of entities in preparing general purpose financial statements. The adoption of these amendments has significantly reduced the company's disclosure requirements.

AASB 2011-2 Amendments to Australian Accounting Standards arising from the Trans-Tasman Convergence Project - Reduced Disclosure Requirements

AASB 2012-7 Amendments to Australian Accounting Standards arising from Reduced Disclosure Requirements and

AASB 2012-11 Amendments to Australian Accounting Standards - Reduced Disclosure Requirements and Other Amendments

The company and consolidated entity has early adopted AASB 2011-2, AASB 2012-7 and 2012-11 amendments from 1 November 2012, to the extent that they related to other standards already adopted by the company. These amendments make numerous modifications to a range of Australian Accounting Standards and Interpretations to significantly reduce the company's disclosure requirements.

St George Leagues Club Limited and its Controlled Entity

Notes to the Financial Statements

For the Year Ended 31 October 2013 (continued)

1 Summary of Significant Accounting Policies (continued)

AASB 2011-9 Amendments to Australian Accounting Standards - Presentation of Items of Other Comprehensive Income

The company and consolidated entity has applied AASB 2011-9 amendments from 1 November 2012. The amendments requires grouping together of items within other comprehensive income on the basis of whether they will eventually be 'recycled' to the profit or loss (reclassification adjustments). The change provides clarity about the nature of items presented as other comprehensive income and the related tax presentation. The amendments also introduced the term 'Statement of profit or loss and other comprehensive income' clarifying that there are two discrete sections, the profit or loss section (or separate statement of profit or loss) and other comprehensive income section.

Basis of preparation

These general purpose financial statements have been prepared in accordance with Australian Accounting Standards - Reduced Disclosure Requirements and Interpretations issued by the Australian Accounting Standards Board (AASB) and the Corporations Act 2001. These financial statements do not comply with International Financial Reporting Standards as issued by the International Accounting Standards Board (IASB).

The financial report consists of the financial statements, notes to the financial statements and the directors' declaration.

The financial report is presented in Australian dollars, which is the company's functional and presentation currency.

The company and consolidated entity is a not for profit entity for the purpose of preparing these financial statements, which means that in preparing the financial report, the company has applied the exemptions available for not for profit entities.

The financial report was authorised for issue on 11 February 2014, in accordance with a resolution of directors. The directors have the power to amend and reissue the financial report.

Historical cost convention

The financial statements have been prepared under the historical cost convention.

Critical accounting estimates

The preparation of the financial statements requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the company's accounting policies. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements are disclosed in Note 1(v).

(a) Basis of Consolidation

The consolidated financial statements incorporate the assets and liabilities of all subsidiaries of St George Leagues Club Limited ('company' or 'parent entity') as at 31 October 2013 and the results of all subsidiaries for the year then ended. St George Leagues Club Limited and its subsidiaries together are referred to in these financial statements as the 'consolidated entity'.

St George Leagues Club Limited and its Controlled Entity

Notes to the Financial Statements

For the Year Ended 31 October 2013 (continued)

1 Summary of Significant Accounting Policies (continued)

(a) Basis of Consolidation (continued)

Subsidiaries are all those entities over which the consolidated entity has the power to govern the financial and operating policies so as to obtain benefits from its activities. In assessing the power to govern, the existence and effect of holdings of actual and potential voting rights are considered.

A list of controlled entities is contained in Note 25 to the financial statements.

All inter-group balances and transactions between entities in the consolidated group, including any unrealised profits or losses, have been eliminated on consolidation.

(b) Revenue Recognition - Note 2

Revenues are recognised at fair value of the consideration received or receivable net of the amount of goods and services tax (GST) payable to the taxation authority. Exchanges of goods or services of the same nature and value without any cash consideration are not recognised as revenues.

Sale of Goods

Revenue from the sale of goods comprises revenue earned from the provision of food, beverage and other goods and is recognised (net of rebates, returns, discounts and other allowances) on the point of delivery as this corresponds to the transfer of significant risks and rewards of ownership of the goods.

Rendering of Services

Revenue from rendering services comprises revenue from gaming facilities together with other services to members and other patrons of the club and is recognised when the services are provided.

Interest Revenue

Interest revenue is recognised using the effective interest rate method, which, for floating rate financial assets is the rate inherent in the instrument.

Rent Income

Rent revenue from operating leases is recognised on a straight-line basis over the term of the relevant lease

(c) Other income

Sale of Property, Plant and Equipment

The gain or loss on disposal of property, plant and equipment is calculated as the difference between the carrying amount of the asset at the time of disposal and the net proceeds on disposal (including incidental costs) and is recognised as other revenue at the date control of the asset passes to the buyer.

St George Leagues Club Limited and its Controlled Entity

Notes to the Financial Statements

For the Year Ended 31 October 2013 (continued)

1 Summary of Significant Accounting Policies (continued)

(d) Goods and Services Tax

Revenues, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of the expense.

Receivables and payables in the Statement of Financial Position are shown inclusive of GST.

The net amount of GST recoverable from, or payable to, the Australian Taxation Office is included as a current asset or liability in the Statement of Financial Position.

Cash flows are included in the Statement of Cash Flows on a gross basis, except for the GST component of investing and financing activities which are disclosed as operating cash flows.

(e) Finance Costs

Finance costs include interest, premiums relating to borrowings, amortisation of ancillary costs incurred in connection with arrangement of borrowings and lease finance charges.

Finance costs are expensed as incurred unless they relate to qualifying assets. Qualifying assets are assets which take more than 12 months to get ready for their intended use or sale. In these circumstances, finance costs are capitalised to the cost of the assets. Where funds are borrowed specifically for the acquisition, construction or production of a qualifying asset, the amount of finance costs capitalised is those incurred in relation to that borrowing, net of any interest earned on those borrowings. Where funds are borrowed generally, finance costs are capitalised using a weighted average capitalisation rate.

(f) Income Tax - Note 5

The income tax expense or benefit for the period is the tax payable on that period's taxable income based on the applicable income tax rate, adjusted by changes in deferred tax assets and liabilities attributable to temporary differences, unused tax losses and the adjustment recognised for prior periods, where applicable.

Deferred tax assets and liabilities are recognised for temporary differences at the tax rates expected to apply when the assets are recovered or liabilities settled, based on those tax rates that are enacted or substantively enacted, except for:

- When deferred income tax asset or liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business a business combination and that, at the tie of the transaction, affects neither the accounting nor taxable profits; or
- When the taxable temporary difference is associated with investments in subsidiaries, associate or interest in joint ventures, and the timing of the reversal can be controlled and it is probable that the temporary difference will not reverse in the foreseeable future.
- Deferred tax assets are recognised for deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

St George Leagues Club Limited and its Controlled Entity
Notes to the Financial Statements
For the Year Ended 31 October 2013 (continued)

1 Summary of Significant Accounting Policies (continued)

(f) Income Tax - Note 5 (continued)

The carrying amount of recognised and unrecognised deferred tax assets are reviewed each reporting date. Deferred tax assets recognised are reduced to the extent that it is no longer probable that future taxable profits will be available for the carrying amount to be recovered. Previously unrecognised deferred tax assets are recognised to the extent that it is probable that there are future taxable profits available to recover the asset.

Deferred tax assets and liabilities are offset only where there is a legally enforceable right to offset current tax assets against current tax liabilities and deferred tax assets against deferred tax liabilities; and they relate to the same taxable authority on either the same taxable entity or different taxable entity's which intend to settle the claim simultaneously.

The parent entity adopts the principle of mutuality and is liable for income tax only on income derived from non-members and from investments.

The controlled entity is exempt from income tax under Division 50 of the Income Tax Assessment Act 1997.

(g) Impairment of Assets

Non-financial assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount.

Recoverable amount is the higher of an asset's fair value less costs to sell and value-in-use. The value-in-use is the present value of the estimated future cash flows relating to the asset using a pre-tax discount rate specific to the asset or cash-generating unit to which the asset belongs. Assets that do not have independent cash flows are grouped together to form a cash-generating unit.

(h) Cash and Cash Equivalents - Note 6

Cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

(i) Trade and Other Receivables - Note 7

Trade debtors and other receivables represent the principal amounts due at balance date plus accrued interest and less, where applicable, any unearned income and provisions for doubtful accounts.

(j) Inventories - Note 8

Inventories are measured at the lower of cost and net realisable value. Costs are assigned on the basis of weighted average costs.

St George Leagues Club Limited and its Controlled Entity

Notes to the Financial Statements

For the Year Ended 31 October 2013 (continued)

1 Summary of Significant Accounting Policies (continued)

(k) Leased Assets

Leases under which the consolidated entity assumes substantially all the risks and benefits incidental to the ownership of the assets but not the legal ownership are classified as finance leases. Other leases are classified as operating leases.

Finance Leases - Note 14

A lease asset and a lease liability are recorded at their fair value at the inception of the lease or, if lower at the present value of the minimum lease payments.

Lease liabilities are reduced by repayments of principal. The interest components of the lease payments are expensed. Contingent rentals are expensed as incurred.

Operating Leases

Payments made under operating leases are expensed on a straight-line basis over the term of the lease, except where an alternative basis is more representative of the pattern of benefits to be derived from the leased property.

(l) Financial Assets - Note 9

The company classifies its financial assets in the following categories: financial assets at fair value through profit or loss, loans and receivables, held-to-maturity investments, and available for sale financial assets. The classification depends on the purpose for which the investments were acquired and subsequent reclassification to other categories is restricted to limited circumstances. Management determines the classification of its investments at initial recognition

All financial assets are recognised on trade date where the purchase or sale of a financial asset is under a contract whose terms require delivery of the financial asset within the timeframe established by the market concerned, and are initially measured at fair value, plus transaction costs, except for those financial assets classified as at fair value through profit or loss, which are initially measured at fair value.

Financial assets are derecognised when the right to receive cash flows from the financial assets have expired or have been transferred and the company has transferred substantially all the risks and rewards of ownership.

(i) Loans and receivables

Trade receivables, loans and other receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. Loans and receivables are measured at amortised cost using the effective interest method less any impairment. They arise when the company provides money, goods or services directly to a debtor with no intention of selling the receivable. They are included in current assets, except for those with maturities greater than 12 months after the Statement of Financial Position date which are classified as non-current assets. Loans and receivables are included in receivables in the Statement of Financial Position (Note 7).

(ii) Held-to-maturity investments

Held-to-maturity investments are non-derivative financial assets with fixed or determinable payments and fixed maturity dates that the consolidated entity has the positive intent and ability to hold to maturity. Held-to-maturity investments are measured at amortised cost using the effective interest method less any impairment, with revenue recognised on an effective yield basis.

St George Leagues Club Limited and its Controlled Entity

Notes to the Financial Statements

For the Year Ended 31 October 2013 (continued)

1 Summary of Significant Accounting Policies (continued)

(m) Fair Value Estimation

The fair value of financial assets and financial liabilities must be estimated for recognition and measurement or for disclosure purposes.

The fair value of financial instruments traded in active markets such as trading and available for sale securities is based on quoted market prices at the end of the reporting period. The quoted market price used for financial assets held by the company is the current bid price.

The carrying value of trade receivables and payables are assumed to approximate their fair value due to their short term nature.

The fair value of financial liabilities for disclosure purposes is estimated by discounting the future contractual cash flows at the current market interest rate that is available to the company for similar liabilities.

(n) Property, Plant and Equipment - Note 11

Freehold land and buildings are shown at historic cost less subsequent depreciation for buildings and accumulated impairment losses for land and buildings.

All property, plant and equipment is stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the assets' carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the consolidated entity and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the profit or loss during the financial period in which they are incurred.

The depreciable amount of all fixed assets including buildings and capitalised lease assets, but excluding freehold land, is depreciated using the straight line/ diminishing value methods to allocate their cost or revalued amounts, net of their residual values, over their estimated useful lives, as follows:

Buildings	40 years
Leasehold improvements	10 years
Plant and equipment	10 years
Poker machines	5 years
Motor vehicles	6 years

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of the reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in the profit or loss. When revalued assets are sold the amounts included in the revaluation reserve relating to those assets are transferred to retained earnings.

St George Leagues Club Limited and its Controlled Entity
Notes to the Financial Statements
For the Year Ended 31 October 2013 (continued)

1 Summary of Significant Accounting Policies (continued)

(o) Intangible Assets - Note 12

Poker Machine Entitlements

Poker machine entitlements are not amortised. Instead, poker machine entitlements are tested for impairment annually or more frequently if events or changes in circumstances indicate that it might be impaired, and are carried at cost less accumulated impairment losses.

(p) Trade and Other Payables - Note 13

These amounts represent liabilities for goods and services provided to the company prior to the end of the financial year which are unpaid. Due to their short-term nature they are measured at amortised cost and are not discounted. The amounts are unsecured and are usually paid within 30 days of recognition.

(q) Employee Benefits - Note 15

Wages and Salaries, Annual Leave and Sick Leave

Liabilities for wages and salaries, including non-monetary benefits, annual leave and accumulating sick leave expected to be settled within 12 months of the reporting date are recognised in other payables with respect to employees' services up to the reporting date and are measured at the amounts expected to be paid when the liabilities are settled. Liabilities for non-accumulating sick leave are recognised when the leave is taken and measured at the rates paid or payable.

Long Service Leave

The provision for employee benefits relating to long service leave represents the present value of the estimated future cash outflows to be made resulting from employees' services provided to reporting date.

The provision is calculated using expected future increases in wage and salary rates including related on-costs and expected settlement dates based on turnover history and is discounted using the market yields on national government bonds at reporting date which most closely match the terms of maturity with the expected timing of cash flows. The unwinding of the discount is treated as long service leave expense.

Superannuation Plans

The consolidated entity contributes to several defined contribution superannuation plans. Contributions are recognised as an expense as they are made. The consolidated entity has no legal or constructive obligation to fund any deficit.

St George Leagues Club Limited and its Controlled Entity
Notes to the Financial Statements
For the Year Ended 31 October 2013 (continued)

1 Summary of Significant Accounting Policies (continued)

(r) Financial Liabilities-- Note 14

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in the profit or loss over the period of borrowings using the effective interest method.

Borrowings are classified as non-current liabilities unless the consolidated entity has an unconditional right to defer settlement of the liability for at least 12 months after the end of the reporting period.

(s) Provisions

Provisions are recognised when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that the Group will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. Where a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows

(t) Customer Loyalty Program

The consolidated entity operates a loyalty program where customers accumulated points for dollars spent. The award points are recognised as a separately identifiable component of the initial sale transaction, by allocating the fair value of the consideration received between the award points and the other components of the sale that the award points are recognised at their fair value. Revenue from the award points is recognised when the points are redeemed. The amount of revenue is based on the number of points redeemed relative to the total number expected to be redeemed.

(u) Interest in Joint Ventures

The joint venture is jointly controlled by the consolidated entity and another entity. The consolidated entity's interest is accounted for by using the equity accounting principles in the consolidated financial statements.

St George Leagues Club Limited and its Controlled Entity
Notes to the Financial Statements
For the Year Ended 31 October 2013 (continued)

1 Summary of Significant Accounting Policies (continued)

(v) Critical Accounting Judgements, Estimates and Assumptions

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts in the financial statements. Management continually evaluates its judgements and estimates in relation to assets, liabilities, contingent liabilities, revenue and expenses. Management bases its judgements, estimates and assumptions on historical experience and on other various factors, including expectations of future events that management believes to be reasonable under the circumstances. The resulting accounting judgements and estimates will seldom equal the related actual results. The judgements, estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

Estimation of Useful Lives of Assets

The consolidated entity determines the estimated useful lives and related depreciation and amortisation charges for its property, plant and equipment and finite life intangible assets. The useful lives could change significantly as a result of technical innovations or some other event. The depreciation and amortisation charge will increase where the useful lives are less than previously estimated lives, or technically obsolete or non-strategic assets that have been abandoned or sold will be written off or written down.

Long Service Leave Provision

As discussed in note 1(q), the liability for long service leave is recognised and measured at the present value of the estimated future cash flows to be made in respect to all employees at the reporting date. In determining the present value of the liability, estimates of attrition rates and pay increases through promotion and inflation have been taken into account.

Intangible Assets

As discussed in note 1(o), impairment of poker machine entitlements is recognised based on a value in use calculations and is measured at the present value of the estimated future cash inflows available to the consolidated entity from the use of these licenses. In determining the present value of the cash inflows growth rate and appropriate discount factor have been considered. Refer to Note 12.

	<hr/>	<hr/>
Net book amount	133,333	133,333
	<hr/> <hr/>	<hr/> <hr/>
Indefinite useful life		

Poker machine entitlements are administrated by the state government and restrict the number of poker machines that can be installed by licensed club holder. The entitlements which may be transferred or acquired or sold do not have an expiration date and are therefore deemed to have an indefinite useful life. Poker machine entitlements are internally generated and therefore are only recognised when acquired and are valued at cost.

Entitlement

Key assumptions are those to which the recoverable amount of an asset or cash-generating units is most sensitive.

The following key assumptions were used in the discounted cash flow model for the poker machine entitlements

- a. 3.4% pre-tax discount rate;
- b. 3.0% per annum projected revenue growth rate;
- c. 3.0% per annum increase in operating costs and overheads.

Sensitivity

As disclosed in note 1, the directors have made judgements and estimates with respect to impairment testing of poker entitlements. Should these judgements and estimates not occur, the resulting poker entitlements may vary in the carrying amount. The sensitivities are as follows:

Revenue would need to decrease significantly before the gaming division poker entitlements would need to be impaired, with all other assumptions remaining constant.

Management believes that other reasonable changes in the key assumptions on which the recoverable amount of gaming division's poker entitlements is based would not cause the cash-generating unit's carrying amount to exceed its recoverable amount.

Bank Loans

All bank loans are denominated in Australian dollars. The bank loans amount in current liabilities comprises the portion of the company's bank loan payable within one year (\$1,000,000). The bank loans non-current balance represents the portion of the company's bank loans not due within one year.

The company entered in a new facility agreement with St George Bank on 1st February 2013. The bill facility expires on 31 December 2017 and requires quarterly principle repayments of \$250,000. The bill facility rate at year end was 4.83%.

Security

The security for the commercial bill facility is:

1. First registered real property mortgage by St George Bank over the Commercial property located at 124 Princes Highway, Kogarah NSW 2217.
2. First registered fixed and floating charge over the assets and undertaking of St George Leagues Club Limited.
3. Charge over the liquor licence of the Club given by St George Leagues Club Limited.

The carrying amount of the pledged assets is as follows:

Financial Support

The parent entity has provided St George Illawarra Rugby League Football Club Pty Ltd with a letter of financial support advising that it will provide such support up to \$550,000 in order for the company to meet its normal operating expenses for a period of not less than 12 months from the date of this report.

At balance date St George District Rugby League Football Club Ltd had total member funds of \$12,671 (2012: \$3,720) and St George Illawarra Rugby League Football Club Pty Ltd had net liabilities of \$5,048,369 (2012: \$3,257,887).

21 Mutuality Principle

The company calculates its income in accordance with the mutuality principle which excludes from income, any amounts of subscriptions and contributions from members, and payments received from members for particular services provided by the club or association, e.g. poker machines, bar and dining room service in the case of social clubs. The Commissioner of Taxation accepts this method of calculating income as appropriate for recognised clubs and associations.

Following the Full Federal Court decision in Coleambally Irrigation Mutual Co-operative Limited v FCT [2004] FCAFC 250, Tax Laws Amendment (2005 Measures No.6) Bill 2005 was tabled in Parliament on 7 December 2005 to amend the Income Tax Assessment Act 1997 to restore the long standing benefits of the mutuality principle to those non-profit organisations affected by the Coleambally decision.

These amendments will ensure social clubs continue not to be taxed on receipts from contributions and payments received from members.
